Blue Cross Dental plans include coverage for certain pediatric dental services. This plan is not exchange-certified and does not qualify as the pediatric dental essential health benefit under the Affordable Care Act.

These plans provide dental coverage only. Your dental plan's benefit booklet will provide a detailed description of the coverage and contain more details on standard plan exclusions and frequency limitations. In the event of a discrepancy, the benefit booklet will supersede this summary.

The Preferred Plan provides coverage for preventive dental care, including exams and cleanings, at 100 percent when you see a dentist in the network. There is no deductible for preventive services. This plan also provides coverage for a full range of other dental services.

As a Blue Cross Dental member, you'll have access to the United Concordia Advantage Plus 2.0 network, one of the nation's largest dental networks. If the dentist you visit is part of your Preferred Plan network, you'll receive richer benefits than if you see a dentist who is not part of your network.**

To find a provider, visit bluecrossmn.com/findadentist.

Dentists who provide discounts for non-covered services have a "**Save!**" symbol next to their name.

Waiving the waiting period

Waiting periods may be waived if you and your dependents have had at least 12 months of continuous comparable coverage immediately prior to the effective date of the dental plan.

Applicant must have had at least 12 months of continuous comparable coverage immediately prior to the effective date of the dental plan. Discount dental coverage does not qualify as comparable coverage. All previous dental coverage will be reviewed when all supporting materials are provided. Supporting materials must be provided 60 days from your plan's effective date to prove eligibility. Failure to do so may prevent approval of your waiting period waiver.

*Preferred Plan has individual deductibles only.

**When you receive services from nonparticipating providers, you are responsible for the difference between the allowed amount and the billed charge.

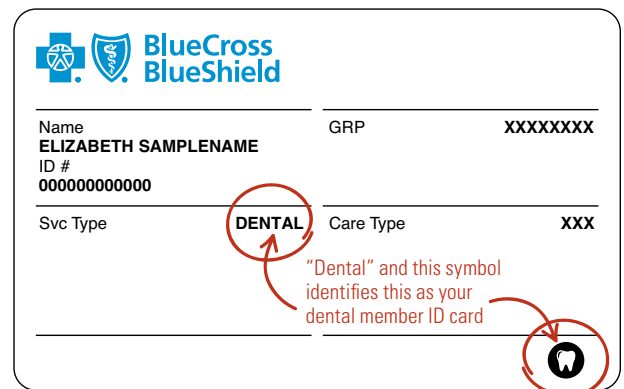

You may enroll in a Blue Cross Dental plan at any time. Coverage is generally effective the first of the month following approval of the application. Members can cancel at any time with the cancellation being effective the first of the month following the notification. The exception is cancellation due to death, which will be effective the date of death. Voluntary termination will result in having to satisfy a lockout period of one year before an individual is eligible to re-enroll.

YOUR NEW MEMBER ID CARD

When you've enrolled in a Blue Cross Dental plan, you'll be sent your new Blue Cross Dental member ID card. If you also have a Blue Cross medical plan, you will have an ID card for your dental plan and a separate ID card for your medical plan. Use your dental ID card when you want to access benefits through your dental plan.

United Concordia Companies, Inc. is an independent company providing dental benefit management services and access to the Advantage Plus 2.0 network. Each dental provider is an independent contractor and not our agent. It is up to the member to confirm provider participation in their network prior to receiving services.

Consult our online provider directory at bluecrossmn.com/findadentist to search for a dentist. Dentists with a "\$ave!" symbol next to their name accept allowances for services not covered by the benefit plan, including services rendered after the annual maximum has been exceeded; not available in all areas.
